Learn About the City of Milpitas Preschool Program

The City of Milpitas Preschool is dedicated to providing a nurturing learning environment in which young children and their families explore and grow. The preschool years are very critical in a child's life. At an accelerated rate, they are beginning to learn who they are, who other people are, and what the world around them is all about. We believe that "play" is essential for children to learn.

Answers to Frequently Asked Questions Regarding...

Preschool Curriculum?

The City of Milpitas Preschool encourages a developmental approach to learning. Through many avenues of explorative play, children learn necessary skills with emphasis on social skills. Our program curriculum offers a wide variety of activities in order to give children the opportunity for self-discovery and the freedom to create by using their own imagination through individual choices. We view the child as a whole, which means we facilitate each child's social, emotional, intellectual, and physical growth. We create activities that allow children to express themselves in all of these areas. We believe in creating a "yes" open environment with reasonable boundaries. Our preschool is designed for safe and challenging activities. Our philosophy is based on the belief that each child is unique and deserves the opportunity for full development.

Registration?

Registration for Animal Crackers and KinderKids classes (Fall 2006-Spring 2007 school-year) begins **Tuesday, June 6 for Milpitas residents** and **Tuesday, June 20 for non-residents** (see page 6 for details).

Waiting List?

If the class you register for is full, you will be notified that your child or children have been placed on a waiting list. It is not necessary to call the Community Center to inquire about your child's status. When an opening occurs, you will receive a notice by mail or phone.

Refund Policy?

In order to receive a refund check in the mail, you must notify the office 10 calendar days prior to the first class. **A \$10 service charge is withheld from each class you are requiring a refund from.** The Preschool Coordinator has the discretion to transfer children between classes. Transfers are allowed only through the written approval of the

Preschool Coordinator, between the first (1st) and second (2nd) week of class. No refunds or transfers will be granted after the 2nd week of class. Persons enrolled on the Waiting List will be informed of openings as soon as they occur and fees will be based on the number of classes remaining.

Parents Orientation Night?

Parent Orientation will be held Thursday, August 24. Parents are invited to an information night covering the preschool policies and procedures. This is also an opportunity for the enrolled children to see their assigned classrooms and meet the teachers. Typically, the orientation lasts about one hour. Registered participants will be sent a reminder postcard prior to this event.

Potty Training?

Children need to be totally independent in the bathroom. No "pull-ups" are allowed. Parents will be called to change their clothes if their children have bathroom accidents. Children with frequent accidents may be dropped from the program.

Separation Anxiety?

For many children, preschool is their first exposure to being away from the family. To help the teachers build important relationships with the children, we encourage parents to show their support by waiting in the lobby during these transitional times. We also suggest a family photo be sent with their children to class each day.

Field Trips?

Parents are required for all field trips. Most field trips are within walking distance. Please pay special attention to drop off and pick up places as they may vary. For example, on occasion parents will be requested to drop off their children at a nearby park and pick up at the regularly scheduled time. Depending on the

destination, there may be a minimal fee required.

Snacks?

Children need to bring their own healthy snacks each day. Sweets and candy are discouraged.

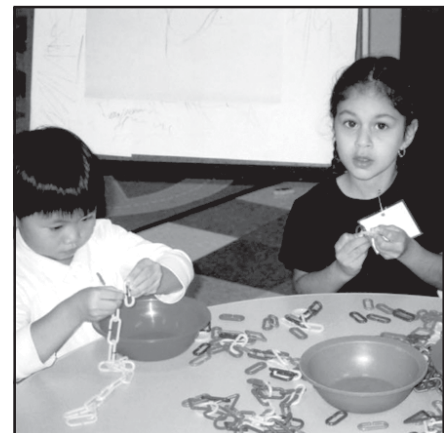

English as a Second Language Preparation?

In order to help children transition successfully into the preschool environment, parents are asked to introduce helpful English vocabulary at home, which will assist the child in communicating better with the Preschool teachers and other children in the class.

Parent Volunteers?

Parents are welcome in the classroom. Parents volunteering on a regular basis will be required to complete an MVP (volunteer) application and pass the screening and interview. This process requires a fingerprint background check through the Department of Justice.

Please call the Preschool Coordinator at (408) 586-3204 for additional questions.

Preschool Program

Animal Crackers

This program encourages creative hands-on

fun while learning cooperation, problem solving, language, music, motor skills and more. The open environment promotes eager children numerous choices to be independent well-rounded individuals. Overcoming children's separation anxiety from parents and family is important for a child to grow in confidence in this class. Ages 3 **and** not entering Kindergarten in Fall 2007 (see Please Note section).

Please note:

- Classes meet at the Community Center.
- Children must be 3 years of age by December 3, 2006, **and** not entering Kindergarten in Fall of 2007, to meet the minimum/maximum age requirement.
- Participants must be potty trained, no pull-ups allowed.
- Additional nominal fees may be required for field trips and special projects.
- Please provide an extra set of clothes each day for water and other activities.
- The class fee includes one T-shirt. Should a child cancel out of the class after the first day of class, the T-shirt fee will be deducted from the amount refunded.

Preschool Payments

The fee listed for each class is for the full session. Twenty-five percent (25%) of the fee is due when registering. The balance can be paid in 3 equal payments (due on or before November 3, 2006, January 5, 2007, and March 2, 2007). **Due to the popularity of the Preschool Programs and to allow for the maximum number of children to participate, participants may only be registered in one class.**

KinderKids

KinderKids is a sensory-motor based, hands-on class for those energetic children entering Kindergarten in the Fall of 2007. KinderKids focuses on the whole child: socially, emotionally, physically and intellectually through instruction, exploration and discovery, language and Kindergarten readiness skills. A variety of fun choices encourage creative learning each day. Parents are requested to volunteer some of their time to assist in the classroom.
